

## Naperville Christian Academy Comprehensive Uniform Guidelines

The Bible calls each of us to be a reflection of our Creator who we know to be the God of order and beauty. In this spirit the staff and students of Naperville Christian Academy will reflect those virtues in their daily dress and appearance. Maintaining a standardized uniform program fosters a neat and safe learning environment in which students are free to focus on their studies and build peer relationships based on emotional connections and mutual respect. We appreciate your respect for and compliance with all uniform guidelines.

All uniforms MUST be purchased from Tommy Hilfiger (TH) Global School Wear which can be found online. The full list of allowed uniform items can be found in the TH flipbook and on their website under the NCA preferred code – NAPE01. Using the preferred code brings up a list of only those items approved by NCA and earns NCA a percentage of all uniforms ordered. To earn an additional benefit to the school at no cost to you, purchase TH e-gift cards through Scrip's Raise Right app and use them to pay for your uniforms.

### General Requirements & Information

- Please purchase all uniforms from TH Global School Wear and specifically from NCA's approved uniform list on the TH website. Clothing from other sources is not allowed.
- Uniforms should be neat and clean, with no holes or stains.
- You may opt to put the embroidered logo on any tops other than evergreen shirts. A logo is mandatory on all sweaters, blazers, fleeces, pullovers, and sweatshirts.
- Items can be mixed & matched to suit the student's comfort on regular uniform days.
- Dress uniforms consist of specific required clothing items; see page 2.

### Helpful Hints

- Create an account with Tommy Hilfiger to receive coupons and sales alerts via email.
- Tommy Hilfiger sizing runs smaller than other clothing vendors. Be sure to check the sizing charts before ordering.
- If anything you receive is not to your satisfaction, Tommy Hilfiger will replace or refund the item. Contact their customer service for assistance.
