

# Naperville Christian Academy - Logic School - 2023 Summer Reading Program

This summer you have the opportunity to win prizes for your summer reading!

- 1) **Keep track** of each book you read this summer.
- 2) Have a **parent sign off** on the bottom of the log verifying that you read all of the books listed.
- 3) **Return the paper log** to the school library, on the first day of school. (The more you read = the more scratch-n-win tickets you earn! See details below.)

- **Log all books you read** (from 6/8 - 8/29).
  - Books should be **200+ pages** (nonfiction chapter books should aim for nothing less than 170 pages)
- **Scratch-off tickets will be earned based on the types of books you read:**
  - One ticket for every 1 great classics
  - One ticket for every 1 nonfiction (middle school level, or higher)
  - One ticket for every 2 historical fiction books
  - One ticket for every 3 general fiction books

- **Earning more tickets will increase your odds for the top prizes:** Not all tickets are instant winners, so the more tickets you get will increase your chance to get the top prizes.
  - Easy to win: Snack/treat, Root Beer Float/ice cream/popsicles, extra NCA Spirit Wear Day,
  - Harder to win: 3 extra credit points on one test (for bible, science, history or literature class), gift card, free lunch or drink (Starbucks, Chick-fil-a, Wendy's, etc)
  - More prizes possible - give your ideas to Mrs. Gallagher!

## NOTE:

- **Reading Graphic Novels does not count!** (Feel free to enjoy reading them, but please do not include them on the log toward earning tickets.)
- **Max # of total tickets earnable is 18! So, choose different books to read and earn the max tickets:**
  - Read & log a max of 12 **general fiction** books = max 4 tickets
  - Read & log a max of 16 **historical fiction** books = max 8 tickets
  - Earn even more tickets if you read great **classic** or **nonfiction** chapter books (not juvenile trivia/facts style nonfiction books). 1 ticket for each great classic or nonfiction book!

Want to get the **most bang for your buck** with your summer reading?

Then check out some recommended grade 6/7/8 level classical, nonfiction, and historical fiction books in the Classic Reading List on the NCA website. [Classical Reading List \(classical, nonfiction, & historical fiction\)](#)

- Find even more great book suggestions on Goodreads.com:
